Fire Pumps

Fire Pumps Annual Summary Test Page

Inspector: _____ **System:** _____

Location: _____ **Date:** _____

	Test 1	Test 2	Test 3
Approximate percent of rated pump discharge (gpm)(L/min)			
Nozzle size in inches (mm)			
Pitot pressure in psi (bar)			
Flow in gpm (L/min)			
Pump suction in psi (bar)			
Pump discharge in psi (bar)			
Net pump head (discharge pressure minus suction pressure)			
Pump speed (rpm)			
Operate electric circuit breaker			
Test emergency power supply			
Check for excessive backpressure in exhaust system			

Notes:

Overall System Status

Satisfactory Unsatisfactory

Signature: _____ Date: _____

License/Certification No.: _____
