## Appendix A

**MINIMUM ELECTRONIC SPORTS GAMING EQUIPMENT  
STANDARDS**

These standards establish the minimum requirements for electronic sports gaming equipment. The commission may require electronic sports gaming equipment requirements that are more stringent than those set forth by these standards based upon electronic sports gaming equipment technology developments or as necessary to ensure the integrity of sports gaming.

The commission does not adopt the introduction, acknowledgment of other standards, or revision history sections of these standards.

**Standard One: Event Wagering Systems**

Electronic sports gaming equipment must comply with GLI standard 33 “Event Wagering Systems” version 1.1, including all appendices, dated May 14, 2019.
