G0110. Activities of Daily Living (ADL) Assistance

Refer to the ADL flow chart in the RAI manual to facilitate accurate coding

Instructions for Rule of 3

- When an activity occurs three times at any one given level, code that level.
- When an activity occurs three times at multiple levels, code the most dependent, exceptions are total dependence (4), activity must require full assist every time, and activity did not occur (8), activity must not have occurred at all. Example, three times extensive assistance (3) and three times limited assistance (2), code extensive assistance (3).
- When an activity occurs at various levels, but not three times at any given level, apply the following:
 - When there is a combination of full staff performance, and extensive assistance, code extensive assistance.
 - When there is a combination of full staff performance, weight bearing assistance and/or non-weight bearing assistance code limited assistance (2).

If none of the above are met, code supervision.

1. ADL Self-Performance

Code for **resident's performance** over all shifts - not including setup. If the ADL activity occurred 3 or more times at various levels of assistance, code the most dependent - except for total dependence, which requires full staff performance every time

Coding:

Activity Occurred 3 or More Times

- 0. **Independent** - no help or staff oversight at any time
- 1. **Supervision** - oversight, encouragement or cueing
- 2. **Limited assistance** - resident highly involved in activity; staff provide guided maneuvering of limbs or other non-weight-bearing assistance
- 3. **Extensive assistance** - resident involved in activity, staff provide weight-bearing support
- 4. **Total dependence** - full staff performance every time during entire 7-day period

Activity Occurred 2 or Fewer Times

- 7. **Activity occurred only once or twice** - activity did occur but only once or twice
- 8. **Activity did not occur** - activity (or any part of the ADL) was not performed by resident or staff at all over the entire 7-day period

2. ADL Support Provided

Code for **most support provided** over all shifts; code regardless of resident's self-performance classification

Coding:

- 0. **No** setup or physical help from staff
- 1. **Setup** help only
- 2. **One** person physical assist
- 3. **Two+** persons physical assist
- 8. ADL activity itself **did not occur** during entire period

A. Bed mobility - how resident moves to and from lying position, turns side to side, and positions body while in bed or alternate sleep furniture
