NOTICE OF METER TAMPERING

We have identified electric meter tampering, or theft of electric service at this location.

You may be billed for any applicable fees relating to repairing or replacing the electric meter and other facilities, and for electricity usage not previously billed as a result of the tampering or theft. A bill for these charges will be issued by your retail electric provider (REP). If the meter tampering occurred prior to the time you became the customer of record at this location, you may be billed for any of your electricity usage that was previously unbilled. If the meter tampering began after you became customer of record at this location and your current REP was providing your electric service at that time, you may also be billed meter repair and restoration charges. Your REP may also authorize disconnection of service for nonpayment. You will not be able to switch your service to another REP until you have satisfied your obligation to pay these charges.
