"I understand that you may seek payment from me without first looking to any other person who signed the Note. Any person who signs this Security Document, but not the Note:

- a. has no duty to pay the sums secured by this Security Document;
- b. is not a surety or guarantor;
- c. only grants the person's interest in My Homestead under the terms of this Security Document; and
- d. grants the person's interest in My Homestead to comply with the requirements of Section 50(a)(6)(A), Article XVI of the Texas Constitution.

The lien against My Homestead is a voluntary lien and is a written agreement that shows the consent of each owner and each owner's spouse. You and I may extend, modify, or make any arrangements with respect to the terms of the Loan Agreement. Upon your approval, my successor who assumes my duties in writing will receive all of my rights and benefits under the Loan Agreement. I still will be responsible under the Loan Agreement unless you release me in writing. The Loan Agreement will extend to your assigns or successors."
