"You will give me notice prior to acceleration if I am in default under the Loan Agreement. The notice will specify:

- a. the default;
- b. the action required to cure the default;
- c. a date, not less than 21 days from the date you give me notice, to cure the default; and
- d. that my failure to cure the default on or before the specified date will result in acceleration of all that I owe under the Loan Agreement and sale of My Homestead.

You will inform me of my right to reinstate after acceleration and my right to bring a court action to contest the alleged default or to assert any other defense to the acceleration and sale. If the default is not cured before the specified date, you have the option to require immediate payment in full of all I owe. If you are not paid all I owe, you may sell My Homestead or seek other remedies allowed by Applicable Law without further notice. You may collect your reasonable expenses incurred in seeking the remedies provided in this Section. These expenses may include court costs, attorneys' fees, and costs of title search.

This lien against My Homestead may be foreclosed upon only by a court order. You may, at your option, follow any rules of civil procedure for expedited foreclosure proceedings related to the foreclosure of liens under Section 50(a)(6), Article XVI of the Texas Constitution ("Rules"). The power of sale granted by the Loan Agreement will be exercised according to the Rules. I understand the power of sale is not a confession of judgment or a power of attorney to confess judgment or an appearance by me in a judicial proceeding."
